City of *Worceſter*, the ſame Day at the City of *Worceſter*.

Berlin, January 31. *N. S.* On Thurſday laſt Monſieur Lith, Envoy from the Czar of Muſcovy, had a private Audience of the King of Pruſſia, to whom he delivered a Letter from his Maſter, containing an Account of the unexpected Rupture between the Turks and Muſcovites, and acquainting his Majeſty, that the Czar was preparing to leave Petersburg, in order to Command his Army in Perſon; and that he had given Directions for as many Troops as could be ſpared, to March towards the Frontiers of Turkey, deſigning to leave no more than ſix thouſand Muſcovites in Poliſh Pruſſia, who, in Conjunction with the Poles and Saxons, wou'd, he hoped, be ſufficient to obſerve the Motions of the Swedes in Pomerania, eſpecially ſince he did not doubt but that his Pruſſian Majeſty would make good his Engagements; and that the ſeveral Powers concern'd as Guarantees of the Neutrality, would take care to have their reſpective Quota's in a readineſs to advance for the Preſervation of it. They write from Lemberg of the 14th Inſtant, that they had Reports there, that the Ottoman Port had propoſed to the Czar the following Conditions of Peace; To acknowledge King Staniſlaus; To reſtore all the Places he had taken from the Swedes ſince the beginning of the War; To give the King of Sweden Satisfaction for the Damages he has ſuſtain'd; To Demoliſh Aſoph, and other Places in his Poſſeſſion on the Black Sea; To releaſe all the Coſſacks that are his Priſoners, and procure Caminieck to be delivered to the Turks. But theſe Letters add, that the Czar, inſtead of liſtning to theſe Propoſals, has given reiterated Orders for the March of his Troops, and deſired the Crown Genetal to admit of Muſcovite Garriſons to be put into Caminieck,

Port
